Information

Members: 16

Membership:

Turkey(10), Jordan(3), Romania(2), Ukraine(1)

Age range:7-11

Subjects of teaching:Technology, Primary School Subjects

Natural Sciences, Foreign Languages

Environmental Education, Cross Curricular

Aims

- ✓ Gain scientific thinking skills by making science fun
- ✓ Developing dexterity and aesthetic sense
- ✓ Perceiving the problem and finding solutions, strategic thinking, social skills, reasoning, fast and accurate decision making skills
- ✓ Involve the student in the decision-making process
- ✓ Using technology correctly
- ✓ Contributing to the student's foreign language development

Expected Results

- ✓ He likes science, enjoys doing fun experiments.
- ✓ Develops design skills, presents product.
- ✓ Gain strategic thinking, social skills, reasoning, fast and correct decision making skills with intelligence games.
- ✓ Develops competencies such as self-confidence, creativity, communication, cooperation and research.
- ✓ Uses technology correctly. Recognizes different web2.0 tools.

Information

Members: 16

Membership: Turkey(10), Romania(3), Ukraine(1), Azerbaijan(1), Greece(1)

Age range: 6-10

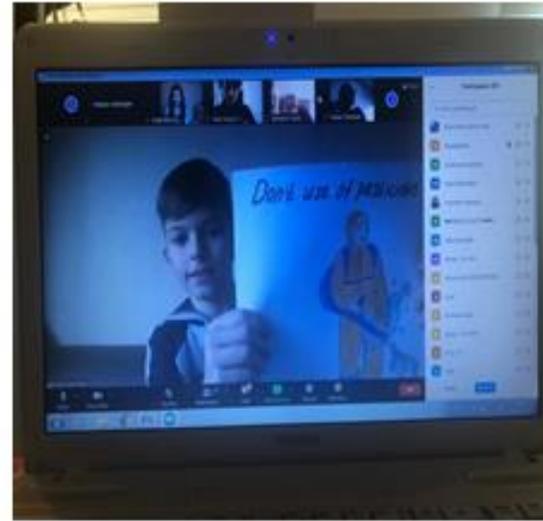

Subjects of teaching: [Primary School Subjects](#), [Natural Sciences](#), [Geography](#), [Environmental Education](#), [Cross Curricular](#)

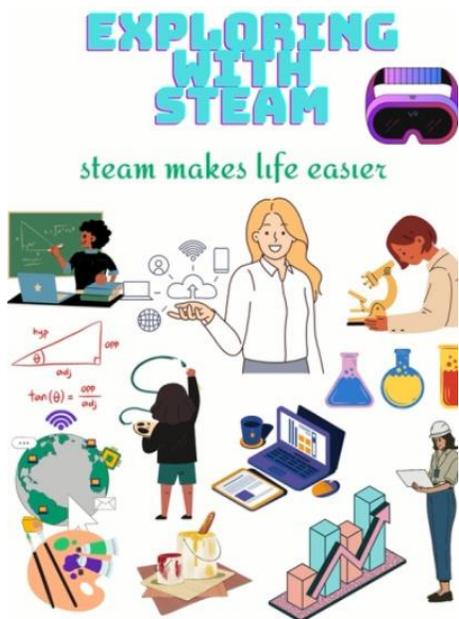

Aims

- ✓ Recognizes the environment in which he lives.
- ✓ It conducts researches and observations to protect the natural environment.
- ✓ Realizes the importance of recycling.
- ✓ Improves cause-effect relationships and problem-solving skills.
- ✓ It creates different products by using its creativity.
- ✓ Improves social behaviors such as solidarity, sharing and cooperation within the group.
- ✓ It enables them to be sensitive to the environment.
- ✓ Using technology, creates original studies with web2.0 tools.

Expected Results

- ✓ Be sensitive to the environment.
- ✓ Produces and applies different solutions to protect nature.
- ✓ Improves creative thinking skills.
- ✓ Be solution oriented.
- ✓ Uses the technology appropriate for its purpose.

Information

Members: 15

Membership: Germany (9), Ukraine(1), Latvia (5)

Age range: 9 -12

Subjects of teaching: [Art, Design & Technology](#), [Informatics / ICT](#)

[Natural Sciences](#), [Primary School Subjects](#)

Key competences: [Digital](#), [Entrepreneurship](#), [Literacy](#), [Maths and science](#),
[Personal, social and learning to learn](#)

Aims

- ✓ Students will communicate with different schools in joint studies and thus improve their cooperation, communication and language skills.
- ✓ With the STEAM studies, they will gain 21st century skills such as creativity, self-confidence, and finding different solutions to problems.
- ✓ Conscious use of the internet will be ensured with the supported web2.0 tools.

Expected Results

- ✓ Developing science, engineering, mathematics and art skills through STEAM activities
- ✓ Providing 21st century skills
- ✓ Raising awareness of conscious use of the internet
- ✓ Providing effective communication and cooperation

sınıftayım.Bu projede olmaktan mutluyum.Katkı sağlayacağımı düşünüyorum.

GAZİ ABDURRAHMAN PAŞA SECONDARY SCHOOL

Hello, I am Tunahan, Gazi Abdurrahman Pasha Secondary School5. I am interested in football and table tennis. I like doing scientific research and producing. I am happy to be in this project.Merhaba ben Tunahan, Gazi Abdurrahman paşa Orta Okulu5. sınıfım.Futbol ve masa tenisi ile ilgileniyorum.Bilimsel araştırma yapmayı ve üretmeyi seviyorum.Bu projede olmaktan mutluyum.

Liudmyla Kravchuk, Ukraine, Vinnytsia Lyceum 6

Happy to be the participant of this project. I'm from Ukraine and I live in the center of the country. I've worked at lyceum for 10 years. The lyceum is large. There are a lot of students. My students are from 12 years old to 16. My students are talented and creative. They are ready to take part in different activities. Hope to get only positive emotions and useful tools.

and swimming. I am closely interested in science and technology. I built my first Robot at Payas Stem. Merhaba ben Onur ,Gazi Abdurrahman Paşa Orta Okulu5. sınıfıyım, futbol ve yüzmeyi çok seviyorum. Bilim ve teknoloji ile yakından ilgileniyorum.Payas Stem de İlk Robotumu yaptım.
